

Made in the UK from recycled 4mm toughened safety glass with polished edges, these boards provide a durable, premium quality writing surface for presenting information. The contemporary design makes an impressive visual impact and offers a refined alternative to conventional dry wipe boards. Wall mounted, mobile and desk glassboards are available, each in a variety of colours, with the option to add your logo or create your own design.

Use on desktop or hooked over desk partition
Fits A4 paper perfectly
