## This Template

---

- Is supplied at 25% of finished size.
  - Includes bleed (as shown by the red keyline).
- 

Please note that for accurate colour reproduction a Pantone colour is always better than supplying colours in CMYK make up. Where colour reproduction is critical please supply a Pantone reference or a Hard Copy Proof.

Pantones will be matched as closely as possible but will vary depending upon the substrate being printed whether Rigid, Semi Rigid or Fleible.
