Linear Graphic and Literature post includes:

Attach leaflet holder to post. Slide flat bar of holder into the channel of linear post. Ensure thumb fastener threads are flush to the flat bar. Position & angle holder to suit, tighten both thumb fasteners to secure the holder to the post. Repeat step for remaining holders.

To attach the stand off's, place the rail fixing into the channel on the linear post and twist the bottom section of the stand off until securely in place. Place the graphic into place within the stand off and tighten grub screw until tightly in place.

Align and slide female post over male post.

Attach base to male post using M10 bolt and allen key. Ensure clear washer is between base & post
