FlameShield
Flame Retardant Products

UK MADE

FlameShield Indoor Showcase.
The FlameShield Indoor Showcase is the stylish and professional way to display children's work or other material. The showcase features 'gas strut' assisted door opening for ease of use and hassle free changing of information. Hinged and double locking door features fire rated and virtually shatterproof glazing. The noticeboard core and bonded textile are fully fire retardant and are tested as a composite to comply with BSEN1 3501 : 2002.
