For optimum printing results artwork documents should be submitted in vector format in either EPS, Adobe Illustrator (Ai) or High Quality PDF.

Ensure that all text has been outlined, any images or placed items are linked within the document and that all layers have been flattened.

Artwork to be sized at 25% of the total artwork size.

Set up your artwork in CMYK at 300dpi, **Pantones will be converted to CMYK.**

12mm Bleed is required.

CMYK Printing of Solid Black - To achieve a rich black in your artwork, please create black with the following colour reference: C - 20% | M - 20% | Y - 20% | K - 100%
