Saturn assembly

Kit includes: Top, base, wrap, Linear post, acrylic literature holderstand-offs, screws, allen key.

1 Take the base and insert a screw through the underside, through the hole, feeding it into the bottom of the LInear post.

2 Screw into position securely

3 Take the wrap and attach to the hook and loop strip on the base.

4 Lower the top into the wrap and secure agains the hook and loop strip.

5 Once top is in place, secure to the Linear post by inserting the 2nd screw through the hole into the post, and fastening in securely

6 To fasten the literature holder insert screw in one stand-off Remove the stand off top.

7 Place a washer either side of the literature holder and then secure into place with stand-off top (screw in).

8 Repeat steps 6 and 7 with the 2nd stand-off for the bottom of the literature holder
