ILLUMINATING YOUR BRAND

Fabrilux®

THE NEXT GENERATION OF LED LIGHTBOXES

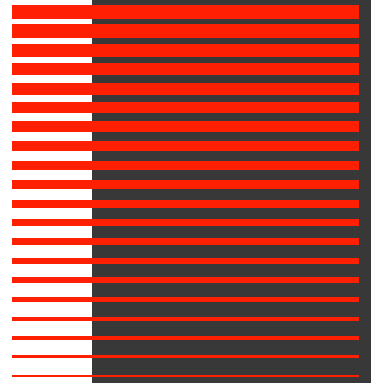

FABRILUX® LED Lightbox Displays are versatile backlit displays designed to adapt to any exhibition space, regardless of its shape or size. These modular displays can be easily linked and configured to create a customised LED Exhibition Stand.

Experience the freedom of choice with our range of lightboxes available in 1m, 2m, and 3m widths. For a complete lightbox exhibition stand, consider adding our optional double-sided LED pop up counter.

Order today at:

WWW.FABRILUX.CO.UK

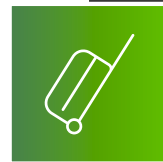

FABRILUX® LED lightboxes create visual impact with seamless tension fabric SEG lightbox graphics. They can be used as free-standing light boxes or linked together in a straight line or at 90 degrees to create large Backlit LED exhibition stands. FABRILUX® LED fabric lightboxes benefit from a tool-less assembly and are supplied in specially designed wheeled cases to aid storage and transportation between events.

ACCESSORIES

Choose from a range of tool-free accessories that allow you to adapt and grow your FABRILUX® LED lightbox display to suit your exhibition space.

Link multiple LED banners together with inline linking connectors and 90-degree brackets or switch out existing stabilising feet for half feet to maximise floor space.

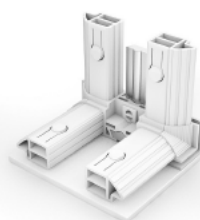

LED Fabric Lightbox Accessories are compatible with FABRILUX® LED Lightboxes From XL Displays.
