PIAZZZ THAT LIGHTBOX

MARKETING SOLUTIONS WITH EXTRA PIAZZZ!

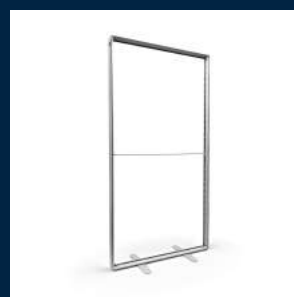

PIAZZZ® LED Fabric Lightboxes are portable, lightweight, and easy to assemble. LED Lightboxes ensure your brand stands out against the competition and gives your marketing some extra pizzazz.

With custom fabric Lightbox printing on SEG graphics, you have the flexibility to update your marketing message whenever needed. The printed graphics are reusable and interchangeable, allowing you to tailor your campaign to suit your target audience. Choose from single or double-sided printed graphics for the same price.

LED LIGHTBOX IN A BOX

The free standing lightbox frame features integrated edge-lit LEDs and convenient twist-out feet. All neatly packed in a convenient carry box with protective foam inserts and a handle, making it effortlessly portable.

1000 x 2000

Convenience and ease of use is paramount with our portable LED lightboxes. PIZAZZ® has integrated LED lights built into the frame for a simple plug and play operation. Push-fit assembly takes just minutes to complete, with numbered sections that simply need matching together. Delivered in a branded carry case with protective foam inserts and step-by-step instructions to assist you with assembly.
